Title: Slaves of Caina,

Author: Anna

Greetings From the
Committee to End
Slavery, HOA

To All Slaves of
Caina,

The mission of the
Committee to end
slavery is to raise
public awareness about
the lives of enslaved
humans in Caina. Our
goal is to see that all
slaves on Dagger
Island are freed and
placed in homes within
the realm to begin
new lives.

We have already been
successful at this
with three slaves.
Do you wish freedom?
Do you wish to walk
as an equal and no
longer be controlled by
a Master? Tired of
the constant abuse and
beatings? Tired of
being hungry and cold
all the time? Tired
of working from sun
up to sun down and
receiving no pay?

There is help my
friend. There is a
way out. All you have
to do is take the
first footsteps and let
us know you want
freedom and possibly
be reunited with long
lost family.

Over the next couple
of weeks there will be

contacts in and about
Caina for you to
contact. These people
whom have volunteered
there time to ride as
a un-noticed traveler
though Dagger Island
can be contacted by
the following means:
A riddle will be set
up for you a new one
each week. This
week's riddle is:

^*^

The more you take,
the more you leave
behind. What are
they

^*^

The person whom can
help you obtain your
freedom will have the
answer to this riddle.
Once you hear the
answer you will know
it is the true response
to the riddle.

My friends there is
a way out of the life
of bondage you live in.
Now is the time to
take your life back. I
promise you once you
have made this step
we will get you off
Dagger Island and
into a safe virtuous
home and we will
seek to have your
Master bought before
the courts.

Yours in Service,
Anna, Chancellor's
Adjutant. -B-

HOA
Chairperson for the
